

La Pace Oppressa (dal Poema Omonimo di R. Tremolada)

illumina o Dio
la strada della Salvezza,
a noi, che nella vita nostra,
camminiamo senza speranza.
Guida, o Dio, con la tua immagine
la nostra Pace oppressa
dalla Matura Malvagità della Terra,
che distrugge la nostra e la tua
"Inafferrabile" immagine di Vita.
La nostra Pace, sì tanto oppressa
fatta di povera gente
vecchia e ammalata,
possa ridentarsi, e nel tuo Amore,
vincere, e nella tua Gloria,
portare la libertà, per sempre.
